Synkwise is a tremendous asset to the AFH community. Their mission and dedication to the easing the “business” piece of this industry allows us to dedicate more time to the “caring” piece. Thank you Synkwise for making all of our pieces fit!

**Neva Hall RN**

**Olive Tree Adult Family Home | Vancouver WA**

Our quality care has improved tremendously thanks to Synkwise taking care of so many daily tasks that are required but distract us from spending time with our residents.

**Hal Cranmer**

**A Paradise For Parents | Surprise, AZ**

I am excited to part of an industry where I spent over 20 years to give extraordinary care to our geriatric residents in our two adult family homes. Synkwise has created a system to save time for the provider, provides a professional charting system and efficiency for amazing adult family homes.
